2009 Highlights

- A record number of 547 volunteers donated over 15,755 hours to AFC. The value of this donated service was over \$816,000.
- Volunteers provided outstanding medical care for 1,614 needy Arlingtonians.
- AFC's pharmacy provided 15,321 prescriptions, an increase of 14% over last year. Estimated retail value of medications was over \$2 million.
- Since the beginning of 2009, AFC has seen an unprecedented increase in demand for care. Comparing January and July, the number of individuals coming to AFC seeking to become a patient increased by over 200%.
- Our newly implemented Nurse Practitioner (NP) program began providing primary care appointments 5 days a week. The NP not only offers same/next day appointments for current AFC patients with acute care issues but serves as the primary point of entry for new patients.
- The Twelfth Annual Gala, "Elegantly Green," October 18, 2008, continued our strong tradition of success by raising over \$550,000 for AFC's programs.
- AFC was once again selected by the Catalogue for Philanthropy as one of the best small nonprofits in the DC metropolitan region.

And Last But Certainly Not Least.....

- AFC relocated to our new permanent home on Columbia Pike and hosted a wonderful grand opening celebration that was attended by almost 200 supporters, including volunteers, funders and elected officials from the County and the Commonwealth.

Recognizing...AFC's Building Leaders

A Round of Applause goes to the following members of the Board of Directors who made the acquisition and build out of our beautiful new clinic possible. Over the past five years, from the negotiations for the condo space that began in 2004, to the selection of the interior designer and the contractor, through the build out and furnishing, these very talented individuals directed and monitored the entire process. Their efforts over the years are the foundation on which our new clinic stands; we are truly grateful.

The Honor Roll of Volunteers

Individuals United in a Mission of Caring

AFC is eternally grateful for all its volunteers, those who had been with us for many years and those who have joined us during this past year. We are especially thankful for the support and loyalty of those volunteers who have followed us from place to place as we moved from our first home at the Thomas Jefferson Middle School to our second on Columbia Pike, to our third in North Arlington, and now to our brand new home back in South Arlington. That dedication to our mission of providing health care to many, many at risk families is the core of what makes AFC such a successful organization. Thank you for all you do.

“You can make a gift that costs you nothing in your lifetime”

Your support for Arlington Free Clinic is of great value to us, and it is our goal to make it rewarding for you as well. That’s why we want you to know about the financial tools you can use to *plan your gift* to us so that it can *return benefits to you*.

- ❖ You can make a tax-free gift from your IRA.
- ❖ You can make a gift using appreciated securities and realize larger tax savings than if you had used cash
- ❖ You can turn surplus life insurance coverage into a gift
- ❖ You don’t need a large estate to make a significant gift to us. Our expanded website will tell you how you can leverage your dollars for a larger gift.

We have expanded our website to make it a resource for you as you plan your charitable gift. Visit www.legacy.vg/52/giving/1.html to learn how a gift to AFC can work for you. A planned gift can provide benefits to you and your loved ones, and our enhanced website will show you how.

To discuss a planned gift to AFC, please call Nancy Pallesen (703) 979-1425, Ext. 120 or Pat McDermott (703) 979-1425, Ext. 121.

AFC Thanks You!
